

PAYROLL SHOULD BE THE LAST THING ON YOUR MIND...AND IT WILL STAY THAT WAY.

What is the one thing you want from Payroll? Boringly accurate delivery, on-time, every time. You want no nasty surprises, even when payroll is becoming more complex and with the expectation to get it right-first-time, every time. It's easier said than done, but we've done it.

Delivering 99.999% accuracy

Education and payroll specialists

It's not enough to be a payroll generalist, you need education specialists too. We deliver over 70,000 payslips a month through our payroll system and bureau service.

Accredited processes

Our payroll solution is CIPP accredited meaning our processes are designed to deliver accuracy.

More resources, better teamwork

We pride ourselves in being a highly experienced team of payroll and pensions experts. We have all the resources and knowledge you will ever need, wherever the future takes your school.

Triple audit

Continuous monitoring of how we're performing feeds into ever better processes.

More than just payroll

Our school payroll solution is part of the wider education solution. We work side by side with our in-house team of experts from employment law to HR strategy and policy meaning that no one does more to eliminate nasty surprises.
